

## Nouns – IID1

Some nouns are masculine and represent men, boys, and male animals. Some nouns are feminine and represent women, girls, and female animals. Sort the nouns in this packet in the correct categories.

## Nouns – IID2

Some nouns are masculine, some are feminine, and some are the common gender, which represents both males and females. Sort the nouns in this packet in the correct categories.

**Note to teacher:** There are four noun boxes beginning with Roman Numeral II. Roman Numeral I is a set of words from all parts of speech learned in the previous grammar lessons—the “Function of Words.”

**Instructions:** Print out the following cards on card stock with a color printer. Each succeeding page should be printed on the back of the preceding page and is meant to keep the different sets together.

The sets were designed to fit inside the Montessori grammar boxes.
