

Pre-Conference Survey

Child's Name: _____

We're looking forward to seeing you at your child's conference. This survey will help us determine our focus for the time allotted. Please know that should we not address all of your concerns during our 25 minute conference, we'll be happy to set up another meeting at a later date.

1. What positive changes have you seen in your child so far this year? (i.e., new experiences, enthusiasm, growth, etc.)

2. List three goals that you have for your child this next semester.

3. Are there any specific concerns that you would like to discuss at this conference?

4. Any feedback on this year's schedule, homework, or any other newly implemented changes would be extremely helpful.
